Meet Lane Timing Needs: A motion was passed on 10/20/1998 that states: "During all MSI regularly bid, sanctioned events, visiting clubs will provide timers as necessary for the duration of the competition. The meet will not begin until the timing needs have been met. The host club may not place requirements on any individual team to participate at any specific level."

If your club would like to help out on a specific time or day, please contact the Meet Director.

Time Standards: 2009-2012 MN Swimming Time Standards – the most current edition published on the Minnesota Swimming website will be used. A swimmer must have a 15-16 CH (Championship) time or faster to enter the meet. The time must have been achieved since January 1, 2011 and be verifiable. The meet will be seeded with conforming times first and non-conforming times thereafter. The order will be short-course yards and long course meters.

Entry Limitations: Age of a swimmer is determined by their age on the first day of the meet. A swimmer may not exceed 3 individual events per day to a maximum of 7 events in the meet, excluding relays. A swimmer may swim up to 9 events in the meet, but additional events over 7 must be time trials. All seed times must be either short course yards (seeded first) or long course meters (seeded last). Only swimmers from the MN LSC can participate.

Relays: All relays will be swum to completion during the preliminary sessions. There will be no relays swum in finals. To enter a relay a team must have one swimmer who is entered in at least one individual event at the meet.

1. All swimmers must be registered members of the club they are swimming with. No unattached swimmer may swim on a relay, nor can there be an "unattached relay" entered in an event.
2. All swimmers must be listed on the club entry sheet or disk in an individual event or as a "relay only" or "relay alternate" swimmer.

A club may enter any number of relay teams in any event (except the 800 Free Relay) provided the number of swimmers in that age group with championship times equals any multiple of four and then one additional swimmer, and all those swimmers are entered in the meet (i.e. to enter two (2) relays, you must have five (5) championship swimmers, to enter three (3) relays, you must have nine (9)). Entries for the 800 Free Relays are limited to 2 per gender per club, subject to the qualification standard.

All relay swimmers must meet the requirements 1-2 above. Swimmer's name, USA Swimming ID, and age must be on relay cards.

Entries for the 800 Free Relay:

1. Limit of two relay teams per gender per club.
2. Qualifying aggregate time equal to four times the 'A' standard for the 200 Freestyle.
3. Aggregate provable times of actual relay participants must meet the qualifying aggregate time.

800 Free Relay Qualifying Standard			
Women		Men	
SCY	LCM	SCY	LCM
8:45.16	9:53.16	8:03.96	9:13.16

Swimmers that participate in both the Senior and Age Group Championship meets cannot swim the same relay at both meets. Example: A swimmer competing on a 200 Free relay in the Age Group meet cannot swim in the Senior 200 Free Relay.

Entries: All entries must be emailed by the entering club or individual who will be solely responsible for the accuracy of the entry. A fine of \$100.00 per event will be charged for falsifying an entry (entries that are not verifiable).

Team must generate an entry file using Hy-Tek software (Team Manager) or Team Unify software to enter this meet; unless your club is on record with MSI that you cannot comply with the disk entry requirement.

Proof of Times: All events entered must have verifiable times (from a sanctioned or approved USA Swimming Meet or Time Trial) meeting the MN TSE for that specific event. Each team or individual is responsible for providing their own proof of times and must accompany entries. Entries must include Hy-Tek (or compatible) Team Manager printed proof of times or they will not be accepted.

Procedure for swimmers who do not achieve the time standard at the meet

- Swimmers time will be checked by the host team.
- If time is not proven, \$100.00 penalty will be paid to the host team. (Proof of time must come from the meet where the time was achieved, as stated on the teams or individuals meet entry.)
- All fines must be paid to the host club by the end of the meet.
- Teams have one week from the end of the meet to prove the time and their fine will be refunded by the host team.
- When a swimmer uses high school times as proof and does not achieve the time standard, the swimmer will have until the end of the meet to prove their time. Proof times will be accepted from "official meets" which, for high school would include any meet with verifiable results signed by the official in charge of that meet.
- Failure of the team to pay the fine by the first meet of the following season's entry deadline will result in the team's charter being suspended until the fine is paid.
- The host team's swimmers will be checked by ASCA-MN and host teams will pay ASCA-MN.

Entry Due Date: An Email copy of your entry is due Wednesday, February 29, 2012 by 6:00 PM. A hard copy including all proof of times and entry fees owed is due Friday, March 2, 2012. Mail the attached entry fee report and a check payable to Team Foxjet to:
